Level: B2 / Candidate's name: Gogo.

Criteria	Mark	Comments
Task Fulfillment and Coherence	2	The candidate completes tasks with relative ease with contributions being mostly relevant. The intended message is communicated clearly with few misunderstandings.
Accuracy and Range of Grammar	1	Range of grammar is too limited to deal with the B2 level tasks effectively. Errors are frequent and noticeable.
Accuracy and Range of Vocabulary	2	A sufficient range of vocabulary is used to deal with the B2 tasks. Some vocabulary errors occur, but do not impede communication.
Pronunciation, Intonation, and Fluency	2	First language influence on stress and intonation is noticeable but pronunciation is sufficiently intelligible. The candidate shows some hesitation, but the flow is generally maintained despite some hesitation.
