## About LanguageCert

LanguageCert is an Ofqual recognised Awarding Organisation responsible for the development and award of language qualifications. LanguageCert’s mission is to offer high quality language qualifications that are truly fit-for purpose for the markets and the candidates they serve.

### 1.1 ESOL Qualifications

ESOL qualifications are designed for candidates who are not native speakers of English and who wish to achieve a high quality, internationally recognised qualification in English that is available and recognised worldwide. They are suitable for candidates who are seeking professional employment in the UK or elsewhere, or for candidates who need to demonstrate that they have met the required level of English by passing a test with a Home Office approved Secure English Language testing (SELT) provider. ESOL International qualifications are designed to reference the descriptions of language proficiency in the Common European Framework of Reference for Languages (CEFR). The levels in the CEFR have been mapped to the levels in the Regulated Qualifications Framework for England, Wales and Northern Ireland (see *Pathways to Proficiency: the alignment of language proficiency scales for assessing competence in English Language DFES / QCA, 2003*).

LanguageCert ESOL International qualifications are available from A1 to C2 and candidates are able to choose the most appropriate qualification to meet their specific needs. For further information, please visit the LanguageCert website ([www.languagecert.org](http://www.languagecert.org)).

### 1.2 The International ESOL (Speaking & Listening) B1 / TFL qualification handbook

This LanguageCert International ESOL (Speaking & Listening) B1 qualification handbook provides a comprehensive introduction to the LanguageCert International ESOL (Speaking & Listening) B1 qualification and its associated examination.

The aim of this handbook is to provide information and advice for users of LanguageCert’s qualifications, inclusive of all existing and potential centres offering the LanguageCert ESOL International (Speaking & Listening) qualifications. This handbook also serves as a reference point for teachers who prepare their candidates for the LanguageCert ESOL International examinations.

Please note that separate qualification handbooks have been produced for the SELT International ESOL (Speaking & Listening), the International ESOL (Speaking) and the International ESOL (Listening, Reading and Writing) qualifications. These are also available on the LanguageCert website.

If required, for further advice and/or guidance that may be required, LanguageCert can be contacted using the LanguageCert “Contact us Guide”.

### 1.3 ESOL Qualifications (Speaking & Listening)

This qualification offers a communicative approach to the testing of speaking and listening skills. The following table presents the name used by LanguageCert for the level, the level’s correspondence to the Common European Framework of Reference (CEFR) and the UK national level:

LanguageCert ESOL International Qualification Levels	Corresponding CEFR Levels	Equivalent UK (England and Wales) national levels
Achiever B1	B1 Threshold	Entry 3

## 1.4 Total Qualification Time (TQT) and Guided Learning Hours (GLH)

The term 'Guided Learning Hours' is defined as the hours of guided learning under the immediate guidance or supervision of a lecturer, supervisor, tutor or other appropriate provider of education or training.

Total Qualification Time is the number of notional hours which represent an estimate of the total amount of time that could reasonably be expected to be required in order for a learner to achieve and demonstrate the achievement of the level of attainment necessary for the award of a qualification.

With regard to Guided Learning Hours, LanguageCert is consistent with CEFR references which assign approximate values to levels of international qualifications. As highlighted by ALTE, as a learner advances up the levels, the number of hours to attain each level increases, this being evidence of the continual nature of language learning.

CEFR Level and UK national Levels (England and Wales)	Corresponding LanguageCert level and Qualification Title	Guided Learning Hours (GLH)	Total Qualification Time (TQT)
Level A1 – Entry 1	N/A (other LanguageCert ESOL qualifications available)	95 hours	200 hours
Level A2 – Entry 2	N/A (other LanguageCert ESOL qualifications available)	95 hours	200 hours
Level B1 – Entry 3	LanguageCert International ESOL (Speaking & Listening) (Achiever B1)	180 hours	300 hours

Please note that the above figures are estimates of numbers of hours a learner is reasonably likely to undertake in respect of each respective level of the qualification, not cumulative estimates across levels.

Please note that Recognition of Prior Learning (RPL) is not applicable to the suite of ESOL International qualifications.

## 2.1 Introduction to ESOL International (Speaking & Listening)

The aim of the LanguageCert ESOL International (Speaking & Listening) B1 qualification is to demonstrate a candidate's ability to communicate using the English language at CEFR level B1 (Entry 3).

The LanguageCert ESOL International (Speaking & Listening) qualifications offer a comprehensive test of spoken English. The tasks in the examinations are designed to test the use of English in real-life situations. The LanguageCert International ESOL (Speaking & Listening) B1 qualification is also suitable for those who need to demonstrate evidence of meeting the English language requirement by passing a test with a Transport for London (TfL) approved Secure English Language Testing (SELT) provider.

The examinations have been mapped to the B1 level of the Common European Framework of Reference for Languages (CEFR).

Who are the LanguageCert International ESOL (Speaking & Listening) B1 examinations intended for?

The overall objective of the LanguageCert ESOL International qualifications is to provide candidates with a qualification that they can use where the ability to speak and understand verbal English is required. The qualification is suitable for:

- non-native speakers of English
- private-hire drivers who need to demonstrate that they have met the required level of English by passing a test with a Transport for London (TfL) approved Secure English Language Testing (SELT) provider.

Entry Requirements:

- There are no other qualifications that a candidate must achieve, prior to taking a LanguageCert ESOL International qualification.
- There are no prior learning requirements that candidates must achieve/have prior to taking the LanguageCert ESOL International qualifications, however it is important that centres offer candidates the most appropriate LanguageCert ESOL qualification, depending on each candidate's ability and needs.

Two situations are presented by the interlocutor and candidates are required to respond to and initiate interactions.
<b>Part 3:</b> to exchange information and opinions / to co-operate to reach agreement/decision.	Hold a short discussion to make a plan, arrange or decide on something using visual prompts.

<b>Part 4B:</b> to demonstrate the ability to produce a piece of connected spoken English / to narrate, describe or communicate ideas and express opinion(s).	After 30 seconds of preparation time, talk about a topic provided by the interlocutor for 1 and a half minutes Answer follow-up questions (as time allows).

## 2.5 The four parts of ESOL International (Speaking & Listening)

### *Part 1 – communicating personal information*

The aim of this part is to settle the candidate and to elicit personal and everyday information. The Marking Interlocutor first introduces himself/herself and then asks for candidate name. It is not necessary for any information to be written down. The interlocutor then selects further questions from the list provided.

Questions are given under topic headings. The questions allow the candidate to respond by giving personal information, ideas and opinions on a range of topics and should produce a natural interaction in the time allowed.

## Part 2 – communicating appropriately in social situations

The aim of this part is to test the candidate's use and understanding of functional language in a range of real-life situations. Interlocutor and candidate enact two situations. The Interlocutor may need to assume a different persona, but the candidate is never required to do so.

The dialogue will usually involve four exchanges (two short turns each). The interlocutor reads aloud the exact words given for the chosen situation which signals the start of the dialogue.

The interlocutor first chooses one from four situations provided in the interlocutor script, to which the candidate responds.

At **B1** level, a typical situation might be:

**Interlocutor:** I'm your friend. You look tired. I start.  
'Why don't you take a holiday?'

The Marking Interlocutor then chooses one from four situations provided in the interlocutor script which require the candidate to initiate the interaction.

At **B1** level, a typical situation might be:

**Interlocutor:** I'm waiting for you outside the cinema. You're late. You start.

## Part 3 – exchanging information and opinions

The aim of this part is to test the candidate's ability to use and understand English in order to give and receive information and perform a communicative task. The task topics do not require the candidate to have specialist knowledge. The interlocutor and candidate exchange information to perform a task. At B1 level, an attempt at agreement after a discussion based on visual prompts is expected.

It is the language used in the interaction that is most important, not the ability to fully complete the task in the given time. However, the interaction should move towards achievement of the task set.

## Part 4 – understanding a monologue and presenting a topic

The aim of this part is to test a candidate's ability to understand a short monologue and then speak independently about a relevant topic with minimal participation by the Marking Interlocutor. The Marking Interlocutor reads from a script and then asks the candidate three questions, which need to be answered orally. Then, the Marking interlocutor announces the topic the candidate needs to talk about. The candidates are given 30 seconds of preparation time to make notes if they wish.

At **Achiever** level, a typical topic might be:

An exciting experience.

The candidate may be asked to answer follow-up questions to their presentation or may be interrupted with questions from the Marking Interlocutor.

## 2.6 Key responsibilities of the Marking Interlocutor

The Marking Interlocutor is responsible for conducting LanguageCert ESOL International (Speaking & Listening) examinations. S/he elicits the spoken performance of the candidate by asking questions or setting up speaking tasks using the scripted Interlocutor Framework.

The Marking Interlocutor must be:

- fluent and articulate in spoken English
- highly skilled at eliciting speech
- suitably qualified and experienced in the Teaching of English as a Foreign Language
- fully familiar with the levels of the Common European Framework (CEFR)
- able to adjust their language to reflect the B1 CEFR level

Marking Interlocutors may be native or non-native speakers of English. The Marking Interlocutor must have an excellent command of English and be able to use the language to high degrees of skill in order to elicit language at an appropriate level from the candidate. A wide range of spoken and listening skills are tested: long turns, short turns, interactional and transactional language.

To ensure all candidates have an equal chance of giving their best performance, the examinations must be conducted fairly and consistently and in accordance with the rules and regulations laid down by LanguageCert.

The Marking Interlocutor must:

- be fully familiar with the contents of:
  - The Guide for Marking Interlocutors
  - The Qualification Handbook (Speaking & Listening)
- be able to attend training as required
- manage the interaction in the test and facilitate the candidate's performance
- assess the candidate's performance based on a set of criteria and descriptors of performance
- be completely familiar with the scripted Interlocutor framework for each level of the ESOL International (Speaking & Listening) exams and deliver it as accurately as possible
- adjust own use of English and speed of delivery as is appropriate for the level of the exam
- manage timings for all parts of the exam
- ensure that all candidates are treated fairly and given an equal opportunity to speak
- ensure the security of examination material at all times and that no examination materials are left unattended
- ensure that all the administration connected with the live exam recordings is accurately carried out
- ensure all necessary procedures are in place to prevent malpractice during the examination

During each examination, an Invigilator is available for all aspects of the examination outside the Exam Room. The **Invigilator** is responsible for:

- checking the identity of each candidate prior to the exam

- ensuring that candidates wait in a designated area prior to their exam taking place
- showing candidates into the Exam Room at the appropriate time
- providing the candidate with paper and pencil/pen
- ensuring that candidates who have completed their exam do not mix with those who are still waiting to go into the Exam Room
- ensuring that candidates do not bring unauthorised material into the exam room
- ensuring that candidates do not take with them any exam material after they complete the exam
- ensuring that people moving around in the vicinity of the Exam Room remain quiet.
